

2015 Travel Industry Person of the Year

It is time! STIA members will choose again their “TRAVEL INDUSTRY PERSON OF THE YEAR”, from the ranks of our current membership. The winner will be recognized at our annual Holiday Party in December, and will be the recipient of a beautiful, permanent trophy.

This is a great opportunity for you to honor a colleague or someone you admire, from within our organization. Someone that you feel deserves recognition for his/her efforts, on behalf of all of us over the years. This award should go to someone who supports the mission of the Suncoast Travel Industry Association, by promoting and supporting the education of our membership, and has set an example of excellence and professionalism, within our industry.

The person you nominate, must have been a STIA member in good standing and worked within our geographic area, for a minimum of at least 3 consecutive years. They must be willing to be interviewed by the STIA Board, should that become necessary.

The committee will review all nominees and their findings, and recommendations will be submitted to the STIA Board, who will then select our Travel Industry Person of the Year.

Please fill out this form below, with your recommendation for the 2015 TIPY award recipient. Let your voice be heard!

Sincerely,
Linda Grauer
TIP Year Committee
